SUMMARY

Motivated MERN stack fresher with a strong foundation in JavaScript, React, Node.js, and MongoDB. Passionate about building user-friendly web applications and solving problems. Quick learner with strong analytical skills and the ability to adapt to new technologies.

EDUCATION

APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY KERALA | INDIA

MCA Jul 2020- Aug 2022

Master of Computer Application

Cumulative GPA: 7.71

UNIVERSITY OF CALICUT KOZHIKODE | KERALA

B.Sc. Mathematics

Percentage:71% Jul 2017 – Apr 2020

WORK EXPERIENCE

Bairuha Tech Kozhikode, India

Full Stack Developer Intern Jan 2026– Present

- Working as part of a cross-functional development team to design and build a real-world web application from requirements to implementation.
- Collaborating with team members to plan features, divide tasks, and review code, ensuring timely delivery of project milestones

Futura Labs Kozhikode, India

MERN Full Stack Developer Intern Jun 2025 – Dec 2025

- Developed responsive web applications using MongoDB, Express.js, React.js, and Node.js, following modern UI/UX practices.
- Built reusable React components and managed application state using hooks, improving code maintainability.
- Implemented RESTful APIs with Node.js and Express.js to handle authentication, CRUD operations, and data flow between frontend and backend.

PROJECTS

RENT-WELL: An Online rental management system using Python flask

- Built an online rental management system using Python Flask, supporting property listings, user management, and booking operations with database integration.

TASK-MANAGEMENT: A MERN stack task management website for organizing and tracking tasks

- Developed a full-stack task management web application using MongoDB, Express.js, React.js, and Node.js.
- Implemented user authentication and CRUD functionality to create, update, delete, and track tasks.

QUICK RATION: An online e-ration shop using Python Django

WEATHER-APP: A Weather-checking website using HTML, CSS, and JavaScript

CERTIFICATIONS

MAXLORE INNOVATIONS LLP KOZHIKODE, INDIA

PROJECT INTERN AND PYTHON DJANGO TRAINING Oct 22- Nov 22

- Project: Rent-Well (Rent-Well an Online rental management system using Python Flask)

SKILLS
